## The 5 W's of Scholarships

**WHO is eligible?** You don't have to demonstrate financial need and/or be super smart to get a scholarship. There are so many different scholarships available; pretty much everyone is eligible for something.

**WHAT types of scholarships are out there?** Need-based scholarships are for people who may not be able to afford a college education. Merit-based scholarships are for students who excel at academics, sports, arts, music, etc. You might be eligible based on your ethnic background, the school you plan to attend, or even where you went to high school.

**WHEN do I apply?** Start looking for scholarships at the end of your junior year to get a head start on the competition. Most applications are due at least one semester before the money will be used.

**WHERE do I find them?** Your guidance counselor and the financial aid officers at the school you plan to attend are excellent resources.

**WHY should I apply?** Dude, it's free money! For some students, a scholarship can open the doors to schools, higher education degrees and other possibilities you never thought were possible.

**THE VEGETARIAN RESOURCE GROUP** has two **\$5,000** scholarships and one **\$10,000** scholarship to give to U.S. high school students who have promoted vegetarianism in their schools and/or communities. [www.vrg.org/student/scholar.htm](http://www.vrg.org/student/scholar.htm)

**THE AMERICAN SOCIETY FOR ENOLOGY AND VITICULTURE** annually awards numerous scholarships to students pursuing a degree in enology, viticulture, or in a curriculum emphasizing a science related to the wine and grape industry. Award amounts vary from year to year. [www.asev.org/scholarship-program](http://www.asev.org/scholarship-program)

**THE ROBERT J. MARRIOTT SCHOLARSHIP GRANT** is a **\$500** cash grant given annually to an undergraduate or graduate biology student specializing in fishery management; also open to students in similar fields. [www.fedflyfishers.org/Conservation/Awards.aspx](http://www.fedflyfishers.org/Conservation/Awards.aspx)

**THE DAVIDSON FELLOWS SCHOLARSHIP** awards **\$50,000**, **\$25,000** and **\$10,000** scholarships to extraordinary people, 18 and under, who have completed a significant piece of work in the fields of science, technology, math, literature, music and other areas. [www.davidsongifted.org/fellows/](http://www.davidsongifted.org/fellows/)

**THE AMERICAN ASSOCIATION OF CANDY TECHNOLOGISTS** has **\$5,000** to give to a student who is studying food science, chemical science, biological science, or related areas, and has demonstrated an interest in confectionery technology.
